

Beth,

I enjoyed talking with you earlier this afternoon. Per our conversation, below is a shallow version of what AdvoCare offers. Feel free to forward any additional questions or needs that you may have.

While it would take quite some time to list all AdvoCare benefits, the two areas that Loyd and I personally pride ourselves are hope for your better health & financial future. Some of the distinguished benefits offered by AdvoCare are:

- ◇ Lifetime product discount of 40%!
- ◇ Cutting edge science built into each and every product engineered by AdvoCare.
- ◇ Sponsorship that has a very STRONG product knowledge to help you and/or your customers achieve self-defined goals.
- ◇ DEDICATION to **your** success - physically and/or financially based on your desires.
- ◇ Highly seasoned leadership when use of financial opportunity makes sense for you.
- ◇ Personalized website for you and your customers to purchase products, obtain very detailed product information, current events, specials, etc.
- ◇ Courteous phone conversations centered on **your** goals.
- ◇ For persons interested in AdvoCare's business opportunity, access to a toolbox full of business resources, success stories, training materials, and more.

Below are links to the AdvoCare Product Guide. This is a very complete and comprehensive set of documents that provide a very detailed view of our products based on product category. In fact, this is how we taught ourselves the product line as we began to engage in building our AdvoCare business.

Beth, one of the most significant products AdvoCare markets is an opportunity for financial gain. Because AdvoCare products are consumable and produce results, they are in demand. Thankfully, AdvoCare empowers their membership base to sell products, if they desire, and create an income stream ranging from zero to millions. Beth, Loyd and I have enjoyed the health **and** financial benefits of AdvoCare products for several years.

We are here to help you, Beth. Thank you, again, for your interest in AdvoCare to help you achieve your self-defined wellness goals and/or financial goals. You've taken the first step toward looking better, feeling better, and performing better. We look forward to the opportunity to meet you someday.
