

Alice,

Based on our phone conversation the other day, you indicated you **had a very strong desire to get home with your children**. Based on your desire, we want to welcome you to explore AdvoCare® as a product and a business opportunity to accomplish your goal **of getting home with your children**. Many of us are seeking better health and the opportunity to build our own business and grow alternate sources of income. AdvoCare® products provide proven solutions for health and wellness, and as a result, a proven business solution develops that provides solutions for you to design your future.

WHO IS AdvoCare®? AdvoCare® products fuel an incredible opportunity for you to control your time, income, and help millions to do the same! As you view the online DVD, keep in mind at AdvoCare® we are fueled by a unique product that is virtually unknown in America, much less the entire world!

Denise and I have enjoyed both aspects of AdvoCare® for several years: products and opportunity. Because the financial opportunity offered at AdvoCare® is powered by product results, we feel you will agree that never before have so many of your family and friends been looking for health improvement, more energy, a way to lose weight, etc. Consequently, AdvoCare® offers a unique product which drives the entire opportunity with your desire to design the life you want!

We invite you to read more about our personal story by visiting www.whyw8.com. Our lives have been changed physically and financially! Alice, we are looking for people like you that want to build their life by design versus living their life by chance! Just like you mentioned in our conversation, our goal is to help you build a home-based business **and bring you home with your children**. Have you ever envisioned yourself owning a home-based business and live life like you own a multi-million dollar corporate enterprise? When the product is right and the timing is right, Alice, the sky is the limit!

Thank you, Alice, for your time in reviewing the possibilities with ADVOCARE® designed to help you achieve your self-defined financial goals while helping other people achieve their wellness and financial goals!
