

Alice,

Denise and I would like to extend a genuine welcome to our AdvoCare team. Your recent membership registration with AdvoCare provides several distinctive benefits to you and your family. Your hopes and needs will dictate your benefits!

While it would take quite some time to list all AdvoCare benefits, the two areas that Denise and I personally pride ourselves are hope for your better health & financial future. Some of these distinguished benefits are:

- Lifetime product discount ranging from 20%-40% depending on your needs.
- Cutting edge science built into each and every product engineered by AdvoCare.
- Possess STRONG product knowledge when you have questions regarding your needs and goals.
- DEDICATION to your success - physically and/or financially based on your desires.
- Highly seasoned leadership when use of financial opportunity makes sense for you.
- Courteous phone conversations centered on your goals.
- Access to our team website www.virtualsponsor.net. This website contains a plethora of business resources, success stories, training materials, and more. Take a look and see how powerful AdvoCare can be for you!

First of all, we would like to assist with you maximizing your AdvoCare product results by encouraging you to use the products correctly and consistently. Following are a few tips to help you enjoy optimal benefits:

- Take a moment to carefully read directions for use for each product you order.
- Use the products as directed, noting when to use the product and if it should be used on an empty stomach or with food, etc.
- If you have any questions, call us at (817) 572-0131; we're glad to help!

Secondly, one of the most significant products AdvoCare markets is an opportunity for financial gain. Because AdvoCare products are consumable and produce results, they are in demand. Thankfully, AdvoCare empowers their membership base to sell products, if they desire, and create an income stream ranging from zero to millions. Personally, Denise and I have enjoyed the health and financial benefits of AdvoCare products for several years. We encourage you to get to know us a little better by reading our personal story located at www.whyw8.com. If our lives can change physically and financially, so can yours when you decide to decide!

We are here to help you, Alice. Thanks, again, for your trust in myself, Denise, and AdvoCare to help you achieve your self-defined wellness goals and/or financial goals. You've taken the first step toward looking better, feeling better, and performing better. As you receive benefit, share the AdvoCare hope for better health, physically and financially, with your family and friends.
