

Alice,

Denise and I would like to extend a genuine thank you for your AdvoCare business. Your membership renewal with AdvoCare ensures your distinctive benefits to you and your family will continue for another year. Your hopes and your needs will dictate your benefits!

While it would take quite some time to list all of your AdvoCare benefits, the two areas that Denise and I personally pride ourselves are hope for your better health and hope for your better financial future. Some of your distinguished benefits are:

- Personalized website located at www.advocare.com/YourMemberNumber where *YourMemberNumber* is substituted with the value of your AdvoCare distributor number. Don't forget to add your picture and story!
- Lifetime product discount ranging from 20%-40% depending on your needs.
- Cutting edge science built into each and every product engineered by AdvoCare.
- Team that possesses STRONG product knowledge when you have questions regarding your needs and goals.
- DEDICATION to **your** success - physically and/or financially based on your desires.
- Highly seasoned leadership when use of financial opportunity makes sense for you.
- Courteous phone conversations centered on **your** goals.
- For persons interested in AdvoCare's business opportunity, access to a toolbox full of business resources, success stories, training materials, and more. Simply, visit www.virtualsponsor.net to open the "treasure chest" and pick what you need to start where you are! Take a peek and see how powerful AdvoCare can be for you!

Primarily, we would be constantly available to assist with helping you maximize your AdvoCare product results by encouraging you to use the products correctly and consistently. We have a tremendous process named "**STEP 1-2-3 Program**" to help everyone manage weight and physically gain their full potential each and every day! Check it out by visiting the website www.whyw8.com. We are constantly looking for success stories to continue to offer hope to other individuals. If you desire, submit your product story and we will be happy to share it with others.

Following are a few tips to help you enjoy optimal benefits of your desired products:

- Take a moment to carefully read directions for use for each product you order.
- Use the products as directed, noting when to use the product and if it should be used on an empty stomach or with food, etc.
- If you have any questions, call us at (817) 572-0131; we're glad to help!

Secondly, one of the most significant products AdvoCare markets is an opportunity for financial gain. Because AdvoCare products are consumable and produce results, they are in demand. Thankfully, AdvoCare empowers their membership base to sell products, if they desire, and create an income stream ranging from zero to millions. Personally, Denise and I have enjoyed the health **and** financial benefits of AdvoCare products for several years. We encourage you to get a bigger picture of AdvoCare by viewing some of the online webinars available to you and your family and friends by visiting www.whyw8.net.

We are here to help you, Alice, at all times. Thank you, again, for your trust in myself, Denise, and AdvoCare to help you achieve your self-defined wellness goals and/or financial goals. Your membership renewal will continue to help you look better, feel better, and perform better each day. As you receive benefit, share the AdvoCare hope for better health, physically and financially, with your family and friends.
