

Alice,

Denise and I would like to thank you for your recent purchase of ADVOCARE products. ADVOCARE engineers world-class products that are distinctive in quality, efficacy, and value and we hope you'll continue to enjoy the benefits of the products you've ordered.

We would like to assist with you maximizing your ADVOCARE product results by encouraging you to use the products correctly and consistently. Following are a few tips to help you enjoy optimal benefits:

- Take a moment to carefully read directions for use for each product you've ordered.
- Use the products as directed, noting when to use the product and if it should be used on an empty stomach or with food, etc.
- If you have questions, call us at (817) 572-0131; we're glad to help!

Denise and I have enjoyed the health & financial benefits of ADVOCARE products for several years. Consequently, one of the most significant products ADVOCARE markets is a financial opportunity powered by product results, market demand for health improvement, and a unique vehicle to design the life you want.
