In addition, we don't want to leave to chance your realization that one of the most significant products AdvoCare markets is an opportunity for financial gain. Because AdvoCare products are consumable and produce results, they are in demand. Thankfully, AdvoCare empowers their membership base to sell products, if they desire, and create an income stream ranging from zero to millions. Personally, Denise and I have enjoyed the health and financial benefits of AdvoCare products for several years. We encourage you to get to know us a little better by reading our personal story located at [www.whyw8.com](http://www.whyw8.com). If our lives can change physically and financially, so can yours when you decide to decide!

We are here to help you, Alice. Thanks, again, for your trust in myself, Denise, and AdvoCare to help you achieve your self-defined wellness goals and/or financial goals. We hope your use of AdvoCare products has been successful and pleasant as we know you have taken the first step toward looking better, feeling better, and performing better. Remember, as you continue to receive benefit from AdvoCare, don't hesitate to share the AdvoCare hope for better health, physically and financially, with your family, friends, and co-workers.

Alice, all of the above and more are included in your \$50.00 renewal fee. To renew, simply logon to [www.advocare.com](http://www.advocare.com) and use your member number and password.
