

Alice,

Denise and I would like to extend a genuine “Welcome Back” to our AdvoCare team! While we realize everyone is busy, we encourage you to take a few minutes and review your past three to five years regarding your health and maybe even your finances.

An AdvoCare membership is still \$50.00 annually and holds the potential for you and your family to engage in actions that lead to your better health in two ways: physically and fiscally. Absolutely, we don’t want to leave to chance your realization that one of the most significant products AdvoCare markets is an opportunity for financial gain. As we are sure you are aware, because AdvoCare products are consumable and produce results, they are in demand. Thankfully, AdvoCare empowers anyone desiring a change to sell products to create an income stream ranging from zero to millions.

Following are some of the rewarding benefits waiting for you:

- Lifetime product discount ranging from 20%-40% depending on your needs
- Cutting edge Scientific-Medical Advisory Board building the products you consume and/or sell
- Home Office staff to support your questions and needs
- Marketing staff preparing award-winning publications for your knowledge and use in your market
- Warehouse Distribution to rapidly distribute products to you and your customers
- Member Services available to provide solutions to your needs
- On-line ordering available 24 hours per day, 7 days per week
- Access to world-class product information 24 hours per day, 7 days per week
- Periodic “Member-Only” specials to save even more money in addition to your discount level
- Free **DebtBuster System** empowering and educating you to overcome the challenge of financial debt
- Access to a virtual (internet) office full of success stories of people just like you designed to help you tell the AdvoCare story, business tools to help shorten your learning curve, and systems to follow for success: www.virtualsponsor.net

You are not alone, Alice! We evaluated our circumstances in March of 2000 and have totally changed our lives; physically and financially. As a result of our “getting real with ourselves”, we have enjoyed the health and financial benefits of AdvoCare products for several years. We encourage you to get to know us a little better by reading our personal story located at www.whyw8.com and see what is possible for you!

We are here to help you, Alice. Thanks, again, for your former membership and we look forward to the opportunity to help you re-engage your pursuit of looking better, feeling better, and performing better. We hope your former use of AdvoCare products was successful and pleasant as we believe AdvoCare memberships hold a very high return on investment! As before, when you receive benefit from AdvoCare, don’t hesitate to share the AdvoCare hope for better health, physically and financially, with your family, friends, and co-workers. Believe us, they are searching for something and many times have no idea where to start! If our lives can change physically and financially, so can you and yours the day you decide to decide!
